100 Days Smarter Crown

Color both pieces. Cut on the dashed lines. Glue the band to the crown.

Crown front (above) · Back band (below)

1. Color the crown and the band.

2. A grown-up cuts along the dashed lines, or kids cut with safety scissors.

3. Glue the crown's GLUE tab under the band's TAB HERE box.

4. Wrap it around the head and mark where it fits. Tape the band's GLUE tab behind the crown.

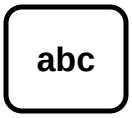

5. Too short? Tape on a strip of paper. Too long? Trim the band, then glue.
